Vision Care Direct is a membership plan, not insurance as there is no risk to the consumer.

Vision Care Direct, working in partnership with leaders in the safety eye wear industry, offers unique features and benefits unlike any other program:

- **Integrated** vision exam benefit
- Negotiated discounts on the highest quality materials **guaranteed** for up to one year.
- **Custom** designed plan to meet your budget and needs.
- **Monthly invoicing** for employer costs after services are rendered.
- **No claim forms!** Doctors submit claims via the internet.
- Optional **individual plan** at 100% employee cost.
