Upper Peninsula Health Plan Names Account Manager

[MARQUETTE]—The Upper Peninsula Health Plan (UPHP) is pleased to announce that Jennifer L. Claus was promoted to the position of account manager with the Upper Peninsula Health Group. She will provide leadership for clients and project teams and ensure business-service delivery. She started her new position on February 4.

Claus joined the UPHP staff in November 1999. She holds a bachelor of science degree in health education from Northern Michigan University. She was born and raised in Tecumseh, Michigan.

The Health Group administers progressive health care solutions to employers and other purchasers of health care services.
