

ATTENTION: Primary Care Providers

Upper Peninsula Health Plan (UPHP) Healthy Michigan Plan

Health Risk Assessment (HRA)

\$20.00 Provider Incentive

Effective January 1, 2017, code 99420 (administration and interpretation of health risk assessment instrument [e.g. health hazard appraisal]) was deleted and replaced with code 96160 (administration of a health risk assessment for the benefit of the person completing the assessment).

UPHP offers a provider incentive to reward primary care providers (PCPs) who successfully complete and return a Healthy Michigan Plan HRA to UPHP. This incentive applies to:

- The initial HRA
- Reassessments completed at least 11 months after the last completed HRA

Please remember, all HRAs must have PCP attestation (signature) in order to be considered complete and eligible for the incentive. Upon completion of the HRA, fax back to UPHP at 906-225-7690.

Procedure Code	UPHP Healthy Michigan Plan Incentive
96160	\$20.00

For all UPHP Healthy Michigan Plan members who are seen for an appointment and have the Healthy Michigan Plan HRA completed with your attestation, bill the procedure code listed above in addition to the services rendered, return the completed HRA to UPHP, and you will receive a \$20.00 payment for HRA completed annually.

For questions, please contact the UPHP Customer Service Department at 800-835-2556. Thank you for your continued commitment to providing quality care to UPHP members.
