OCTOBER 2018 PROVIDER BULLETIN

Please note the following MiHealthLink benefit changes.

Per Centers for Medicare and Medicaid Services (CMS) hearing aids and evaluations/fitting for hearing aids will now be a covered service effective September 1, 2018.

For adults aged 21 and older, coverage for MHL members is an evaluation and fitting for a hearing aid twice per year and a hearing aid once every five years. They are covered as outpatient care when performed by a physician, audiologist, or other qualified provider.

For questions, please call Customer Service at 1-800-835-2556.
