

ADVANCE CARE PLANNING CERTIFICATION COURSE

June 3 & 4, 2019 | 8 a.m. to 4 p.m.
Staybridge Suites, Marquette, MI

Join us and earn your certification in First and Advanced Steps Advance Care Planning through the Respecting Choices® curriculum. The curriculum includes both communication skills and education for health professionals and other caregivers, as well as design and implementation strategies for improving systems and workflows to make person-centered goals the routines of care.

Interested attendees must complete online educational modules prior to the in-person training June 3 & 4. Following completion of the modules, attendees may become approved facilitator candidates and are eligible to complete their certification in person. **There is no charge for becoming certified!**

Register Online by May 22: <https://acpcertification.eventbrite.com>
