

Breaking Down Barriers of the Sharing of PHI and Behavioral Health Information Webinar

October 2, 2019 from 12 to 1pm

The Michigan Department of Health and Human Services (MDHHS) is inviting providers to join a new learning series by Altarum to navigate the complexity and confidentiality regulations around the exchange of physical health information and behavioral health information.

- **What:** Breaking Down Barriers to the Sharing of PHI and Behavioral Health Information – an introduction to the new Protected Health Information (PHI) Consent Tool
- **When:** Wednesday October 2, Noon-1 pm
- **Who:** All are welcome. Clinicians, payers, and medical records/front line administrative staff are encouraged to attend
- **Why:** To gain a better understanding of regulations surrounding the release of behavioral health PHI and how it will improve the continuity and safety of care as well as reduce costs across Michigan

How to register:

- Go to <https://www.michigan.gov/mdhhs/>. Click on assistance programs then health care coverage and Protected Health Information (PHI). Click on Protected Health Information Consent Tool and scroll down to register now button.
