

# Providers Encouraged to Participate in CMS Medicare Learning Network Call on Dementia Care Next Week!

**When: March 3, 2020, from 1:30 to 3 p.m. Eastern Time**

## **Call Topic: Dementia Care - CMS Toolkits**

During this call, learn about new Centers for Medicare and Medicaid (CMS) toolkits for nursing homes:

- Head-to-Toe Infection Prevention: Easy-to-access best practices for direct care staff to prevent infections before they occur
- Developing a Restful Environment Action Manual: Nonpharmacological approach to improve the quality of life and quality of care for residents living with dementia
- Staffing Toolkits: Staff Competency Assessment, Employee Satisfaction Survey, and Guide to Improving Employee Satisfaction

Additionally, CMS will provide updates on the progress of the National Partnership to Improve Dementia Care in Nursing Homes. A question and answer session will follow the presentations.

## **Target Audience:**

Consumer and advocacy groups; nursing home providers; surveyor community; prescribers; professional associations; and other interested stakeholders.

## **Registration:**

Register at no charge online at:
