

COVID-19 Provider Relief Fund

Last week, the Michigan Department of Health and Human Services (MDHHS) issued a notification to all providers informing them of another round of funding provided by the U.S. Department of Health and Human Services through the Health Resources and Services Administration. This funding is available through the Provider Relief Fund for appropriate expenses and lost revenue due to COVID-19. MDHHS communicated information about previous rounds of funding through letters L 20-40 and L 20-53.

UPHP wanted to also issue this guidance to our providers and remind you of the upcoming application deadline of Nov. 6, 2020.

We hope all our providers will take advantage of this opportunity if they qualify to do so. Please see the attached information from MDHHS or visit www.hhs.gov/providerrelief for the full list of eligibility requirements.
