REINSTATING APPEAL TIMELY FILING REQUIREMENTS

UPHP will be reinstating timely filing requirements for claim appeals with remittance notices that are sent out starting January 1, 2023.

As a reminder, appeals must be submitted to UPHP no later than 60 calendar days from the date on the remittance notice. If you miss the deadline and have good reason for missing it, we may give you more time to make your appeal, otherwise your appeal will be dismissed.
