

# CHAMPS 101 Webinar Series

The Michigan Department of Health & Human Services (MDHHS) is offering a six-week CHAMPS 101 Webinar Training Series. Each week from Sept. 2, 2020, through Oct. 7, 2020, MDHHS Provider Outreach and Education will host a CHAMPS webinar. Upper Peninsula Health Plan (UPHP) encourages all providers to attend and take advantage of this educational opportunity.

As a reminder, all providers must be enrolled in CHAMPS to be/remain in network and receive claims payment. Also, we strongly encourage you to check member eligibility in CHAMPS at every visit. A member's eligibility may change monthly; therefore, it is the responsibility of all providers rendering services to verify a beneficiary's eligibility at the time of service. Services provided when member is not enrolled with UPHP will not be covered.
